Deeside Ramblers Hockey Club is proud to announce that it has been awarded England Hockey's **Clubs 1<sup>st</sup>** Accreditation the first in Cheshire. Relevant Codes of Practice and Policies that the Club has adopted as part of this accreditation process are available on the club's website [www.drhc.co.uk](http://www.drhc.co.uk) . Details of the **Clubs 1<sup>st</sup>** Accreditation Scheme can be found at [www.englishockey.co.uk](http://www.englishockey.co.uk) .

Deeside Ramblers Hockey Club **Welfare Officer** is **John Heath**, contact number 01244 335 022.

The children's welfare is extremely important to us; therefore, there may be times when a Manager/Coach may ask a child or group of children not to participate to ensure the safety of that child or group of children and/or others. Should this occur the Welfare Officer will be informed.

## Junior Training Details

We ask that children attend training that is appropriate for their age group, where their skills and abilities can be assessed. As their skills improve they may be **invited** to attend training for an older age group initially on a probationary basis, possible return to their original training group is not a reflection of their skill or ability.  
*For reasons of safety we kindly request that children wait until they are selected before they move up the groups.  
If your child is new to a training session (i.e. new member), he/she must make themselves known to the Manager/Coach before they participate.*

Training sessions, apart from teaching hockey, are used to assess your child's skill level and all-round ability, usually in preparation for a place in a team, therefore Managers/Coaches are looking for commitment, concentration and any other positive attributes your child may have and the team requires. Unnecessary disruption or delay in training sessions is not welcome and therefore your child's co-operation is essential to gain the maximum benefit from such limited time, any repeated disruption or delay may prompt exclusion action by the Manager/ Coach. The Parent and Welfare Officer will be notified of such exclusion and it will be recorded.

When your child is chosen to play in a match, firstly Congratulations, it's something they will never forget and we hope that they will enjoy the experience, but please remember, as they are a representative of the Club on these occasions we ask that they act at all times in accordance with the Junior Club Rules.

The Manager/Coach will inform you of the necessary details of any match usually initially verbally at training sessions and thereafter via email sometimes, via telephone and you will have to respond as to your child's availability and any transport help you require, (we do however, encourage parental presence), therefore, it is your responsibility to check your emails regularly and communicate with the relevant Manager/Coach if you are unsure.

#### Players will need to bring the following to all junior matches:-

- White club polo shirt with number on (alternative strip, in case of colour clash)
- Black skirt / skort / shorts (track suit trousers are not acceptable for matches)
- Black socks with white tops (football referee socks)
- Astro boots / trainers with good grip
- A hockey stick (advice on purchasing sticks is available from your Manager/Coach)
- Warm clothing that is easy to get on and off quickly

- You will also need to inform the Manager/Coach of any ailments and injuries that may affect your performance.
- Medical Conditions; please ensure that you have any medication you require to enable you to participate in physical activity (inhalers etc.)
- A bottle of water / drink (not fizzy) – preferably named - to be taken to the pitch, (hydration is essential in hot or cold weather).
- Match fee, (team dependent). This pays for the teas for both teams at home games and a proportion goes towards club funds for future replacement of the astro carpet.

#### **Games/Tournaments**

**Under 11's** - Deeside is part of a network of Clubs that take part in Under 11's mini-hockey (half pitch) tournaments on the first Sunday of most months in the season hosted by each club, these tournaments are regarded as an important stepping stone to the full game.

**Under 13's** (and selected Under 11's) - At the Under 13's level Boys (Beavers) most games are played as a 11a-side full pitch game on a Saturday.

**Under 15's** (and selected Under 13's) - The under 15's Boys (Badgers) all games are played as a 11 a-side full pitch game on a Saturday.

**Over 15** – The Club operates a *Development Squad*, the principal aim of which is to introduce the, by then, more experienced Juniors to playing hockey with selected senior players, this format prepares players of this age for eventual absorption into one of the many Men's and Ladies Teams. Development Squad inclusion is by invitation only. The Club enters National Knockout Competitions for Girls Under 15's and Under 18's and Boys Under 16's and Under 18's.

The Cheshire County Hockey Association, each year, runs both an Under 11's and Under 13's for Boys and Girls a 7 a-side mini hockey Championship, in which we have a very successful history, these lead on to North Finals and eventually National Finals.

There are many other tournaments that the Club enters including Indoor Hockey ones, please ask for details.

## Parent/ Carer as Volunteer

All Club's rely heavily on volunteers giving freely of their time, skills and experience gained in many fields not just hockey or sport in general. We at Deeside Ramblers are no exception we are all volunteers and we welcome anyone who has anything to offer, **Please** make yourself known and an undying **Thank You** in advance.

### **Managing/ Coaching /Support Coaching Team/Umpiring**

If, in the dim and distant past you played hockey, we would quite like to hear about it, as we are forever keen to have past or even present players pass on their experience to the Juniors. Don't be afraid, your involvement can be as much or as little as you wish from the highs of England Hockey Level 2 Coach to Parent Helper at Training Sessions. We don't want to sound desperate but parents with Hockey/Sports knowledge are as essential to the future of this Club as the children are themselves and we find that the more parents that get involved the more flexible one's commitment can become. **(As in all sports, we are required as a responsible Club to request proof of competency in working with children, including CRB checks)**

### **Squad Administration**

Most Manager/Coaches would agree that the administration associated with running a squad although absolutely necessary can distract from their principal aim of putting motivated children on pitches to play a competitive game of hockey. We are obliged as a Club to pursue "good practice" in running Junior Squads, part of which, as an example, is to ensure that all players on a match day, sign in, pay match fees, provide contact details of absent parents in event of an emergency etc. also ensure that Managers/Coaches complete risk assessments of pitch, resources etc, have First Aid Kits and follow accident report procedures. An organized support person(s) here is a-kin to having 12 players on a pitch.

### **Post Match Refreshments**

Parents/Carers are requested to help on a rota basis to provide refreshments for home games paid for out of match fees, or donation should you wish, please make yourself known should you wish to contribute in this area, the more that participate the less onerous it becomes.

### **Match transport**

Although we encourage parental presence, occasionally, help is required with transport of players to and from games and would be appreciated. The Manager/Coach will need to be aware of **all** arrangements in this area, without exception.

As an initial indicator of your possible involvement, please tick the relevant boxes below and then show and discuss this with your child's Manager/Coach.
